Round 3 Intervention groups began for most grade levels on January 27th. New kindergarten groups began on February 17th. Things are going well with the new groups and assistants are sharing that kids are working hard and making gains.

Title is working on our next Family Night which is scheduled on April 17th. Families, students and staff really enjoy the Multicultural Night theme, so we will be sticking with that. Each grade level will pick a piece of multicultural literature to present and discuss in class. They will choose a project that ties into the literature to share at Multicultural Night. We will raffle off books as we have done in the past. I am working with Jenny L. to decide on food for the evening.

The next things Title needs to focus on is Bikes for Books. I have not been in contact with the gentlemen from the Masonic Lodge, so I need to reach out to see if they are planning to sponsor this event. If so I will get forms and information out ASAP.

Boys and Girls Club:

Not in attendance.

Teacher Requests/Comments: Teacher's requested that fire drill lines on blacktop be re-numbered for all general purposes, both fire drills and lining up.
