**5460 - GRADUATION REQUIREMENTS**

It shall be the policy of the Board to acknowledge each student's successful completion of the instructional program appropriate to the achievement of District goals and objectives as well as personal proficiency by the awarding of a diploma at fitting graduation ceremonies.

A student (up to and including the class of 2026) must earn twenty-two (22) credits, including the credit requirements set by State statute, to be eligible to receive a diploma, provided all other requirements as determined by the State and the Board are met. The Board requires the following credit requirements for a diploma:

English	4.0 credits
Math	3.0
Science	3.0
Social Studies	3.0
Health	.50
Physical Education	1.5
Personal Finance	.50
Electives	6.5 credits

Beginning with the class of 2027, a student must earn twenty-three (23) credits, including the credit requirements set by State statute, to be eligible to receive a diploma, provided all other requirements as determined by the State and the Board are met. The Board requires the following credit requirements for a diploma:

English	4.0
Math	3.0
Science	3.0
Social Studies	3.0
Physical Education	1.5
Health	0.5
Personal Finance	0.5
Elective	7.5
<b>Total</b>	<b>23 credits</b>

In order to earn a high school diploma, a student must successfully complete a civics assessment in accordance with State statute.

A student must also have participated in curriculum relating to financial literacy in order to earn a diploma.

In accordance with State law, a board may not grant a high school diploma to any student unless, during the high school grades, the student has been enrolled in a class or has participated in an activity approved by the Board during each class period of each school day, or the student has been enrolled in an alternative education program (defined in s. 115.28(7)(e)1) or is participating in a Board-approved program that allows a student enrolled in the high school grades who has demonstrated a high level of maturity and personal responsibility to leave the school premises for up to one (1) class period each day if the student does not have a class scheduled during that class period.

The Board may approve a course or courses in career and technical education that it determines may satisfy credits of mathematics and/or science credits.

The Board may waive graduation requirements, except for the core requirements, in exceptional cases to suit the needs of a student subject to Wis. Admin Code, §§ PI 18.03 and PI 18.04.

### **Students With Disabilities**

Students with disabilities who properly complete the programs specified in their I.E.P. and have received the recommendation of the I.E.P. Committee may participate in graduation activities and may be awarded a diploma (provided the student satisfied the District's high school graduation requirements) (see Policy 5460.01), or a certificate of attendance. (see Policy 5460.01).

### **Graduation Activities and Ceremony**

A student may be denied participation in graduation activities for disciplinary reasons and/or for non-payment of fees. The District Administrator and high school principal may establish additional requirements for participation in the graduation activities and may organize said activities to have the appearance and decorum deemed reflective of the District.

### **Policy Reporting and Review**

The principal of the high school shall prepare a report describing the District's policies on high school graduation standards, including a list of courses required under State law and the number of hours in each school term required to earn one (1) credit for those courses. Additionally, any change to the District's policies shall also be reported to the Department of Public Instruction or other appropriate agency after it has been approved by the Board and signed by the Board president, the District Administrator, and the principal.

It shall be the policy of the Board to periodically review and revise this policy specifying the criteria for awarding a diploma.
