Response to Early Intervention (RTI) (TPSD Goal #1)

Mrs. Amy Ferguson

Mrs. Amy Ferguson will update the Board on the district's RTI program.

(In education, **response to intervention** (commonly abbreviated RTI or RtI) is a method of academic intervention used in the United States to provide early, systematic assistance to children who are having difficulty learning. RTI seeks to prevent academic failure through early intervention, frequent progress measurement, and increasingly intensive research-based instructional interventions for children who continue to have difficulty.)
