

**BELDING AREA SCHOOLS
BOARD OF EDUCATION
MEETING**

APRIL 20, 2026

VOLUME LXIII

FOR ACTION

SUBJECT: Reproductive Health Update

Background and Findings:

The Reproductive Health Advisory Committee recommends that Belding Middle School adopt the use of an updated version of its reproductive health curriculum. All materials align with the state and national health standards and have been vetted by the Reproduction Health Committee for Belding Area Schools.

Recommendation:

It is recommended that the Board approve the updated version of the reproductive health curriculum at Belding Middle School.
