Please join OSBA and Oregon's education leaders at the OSBA Annual Convention this November 8-11, 2012. This premiere event assembles the who's who in education to share insights, examine best practices, gain inspiration and partner with others to effect positive educational change in our pre-k-20 education system.

Among our featured speakers this year are Governor John Kitzhaber, Dr. Rudy Crew and a host of others. You will hear hard-hitting keynote presentations from Dr. Luis Cruz, Jamie Vollmer and Jack Gallagher. The agenda is packed with professional development sessions and entertainment to keep you riveted throughout the entire event.

This is your chance to meet and mingle with education leaders, elected state leaders and experts in every field of education. Join us and make this event a great success on behalf of our students. We look forward to seeing you in Portland in November 2012!
