INSTRUCTIONAL PROGRAM HEALTH EDUCATION

~~JUNE 20, 1988~~

It is the position of the Board of Education that the providing of consultative and preventive health services is generally the responsibility of ~~city and~~ county government, and that the treatment of individual children is a parental responsibility. In accordance with this position, the Board of Education expects the school staff to cooperate with the Wayne County Department of **Public** Health and other governmental agencies. In addition to cooperating with the Wayne County Department of **Public** Health, it is the policy of the Board of Education to support programs of health education directed to both parents and teachers in regard to student health and to the health of staff members.

INSTRUCTIONAL PROGRAM INTRAMURAL ACTIVITIES

JUNE 20, 1988

Intramural sports programs are to be available to all students of the middle and senior high schools. These activities are optional to the individual student; however, they shall be considered an integral part of the secondary school program. Among the objectives of these programs are the promotion of the physical fitness, physical and mental growth, fairness, and good sportsmanship in competition and understanding and appreciation for various sports activities, both as spectators and participants.

STUDENTS
PREGNANT STUDENTS

~~JUNE 20, 1988~~

A pregnant student has all the rights and responsibilities of other students, and her continuing attendance in classes should be based on the recommendation of her physician. **The student's school may request medical verification of the student's ability to continue in all classes in her program.**

If a pregnant student wishes to continue her schooling but not attend the regular program, she should contact the principal or her counselor to discuss an alternative placement.
