| STATE FUNDING CASH FLOW | <u>2022-23</u> | <u>2023-24</u> | 2024-25 | Description |
|------------------------------------|----------------|----------------|---------------|---|
| Legislative payment estimate (LPE) | \$ 6,931,244 | \$ 24,180,385 | \$ 24,557,593 | = the amount of state aid TEA will fund during the school year. |
| District payment earned (DPE) | 9,766,265 | 24,962,264 | \$ 21,374,116 | = TEA's current projection of state aid that will be earned during the year. |
| Expected TEA settle-up (1) | 2,835,021 | 781,879 | (3,183,477) |) = "Settle-up." This is the future adjustment to state aid payments based on TEA estimates. |
| Settlement date | Oct 2023 | Oct 2024 | Oct 2025 | Settle-up occurs in Sept. or Oct. after the school year ends. |
| Actual earned revenue | 9,135,324 | 23,004,256 | 24,221,509 | = the amount of state aid earned in prior years and the projected earned revenue for 2024-25. |
| Expected additional settle-up (2) | (630,941) | (1,958,008) | 2,847,393 | = Expected future adjustment to state aid payments based on District estimates. |

(1) TEA makes funding payments through the year based on estimates, which is the "LPE," or "Legislative Payment Estimate." "DPE" is what TEA estimates the district will earn. "Settle-up" reflects the adjustment from estimated to actual earned state aid.

(2) The District prepares estimates of state aid based on our data (ADA, property taxes, etc.), which should be the most current. TEA will not get some of the state aid variables until several months after the year has ended. This line reflects what the District estimates will be the additional adjustments to state aid that TEA will make as all of the actual data gets incorporated into the DPE calculation.
