---	---

Microsoft Office Specialist Certification, Paraprofessional Training, and ABE Digital Literacy Class. Go to [hvae.org](http://hvae.org) for more information.

- 13,200 Fall catalogs have been printed and mailed to residences and businesses in the Red Wing and surrounding areas. This fall, Community Education & Recreation is offering a wide array of over 250 classes and activities. Check out the class listing at [rwps.org/cer](http://rwps.org/cer).
- Summer programming wrapped up in late August offering 244 classes and programs. Community Education and Recreation hires over 100 seasonal employees which includes staffing and managing Red Wing Water Park for the City of Red Wing.

#### Human Resources

- 

#### Nursing Services

- Nurses have been busy getting their health offices up and running for the new school year.
- Nurses are currently going over each student's vaccination record for review and updating our electronic records. Parents are also being notified if their student is noncompliant with vaccinations.
- Flu clinics for students and flu and covid vaccination clinics for staff are being arranged and sign up will be sent out soon.

#### Special Services

- Red Wing Public Schools continues to work with First Student to ensure routing of special education students who receive special education busing.
- Special education staff were trained on Crisis Prevention Intervention (CPI). Staff who were unable to attend the August training will have the opportunity to attend a September training.
- Red Wing Public Schools are continuing to seek out caring and child centered adults who are interested in working as a paraprofessional. There are openings at a every grade level. Students and staff are excited to welcome new team members.

#### Student Nutrition Services

- We started our First month of Mystery servers in September. 9/11/24 Jim Bryant served up lunch at Sunnyside. 9/17/24 Terese will be serving up lunch at Burnside Elementary.
- Nutrition Services continue the important efforts to get families to fill out the application for educational benefits. We have created a flyer available in English and Spanish as well as sending out communication via email about the application and the benefits that come along with an approval.
- Looking forward: October 14-18, 2024  
The National School Lunch Program (NSLP) serves nearly 30 million children every school day. President John F. Kennedy created National School Lunch Week (NSLW) in 1962 to promote the importance of a healthy school lunch in a child's life and the impact it has inside and outside of the classroom.

Teaching & Learning

- Three different math curriculums are being piloted in Kindergarten through Fifth grade, each curriculum is being piloted by teachers in each grade. A new K-5 math curriculum will be implemented during the 25-26 school year.
- All Phase 1 Educators have started LETRS professional learning for the 24-25 school year. This includes early childhood, K-5 general education and K-12 special education teachers.
