Purpose/Background:

A Tree of Heaven on campus near Crawford Avenue was struck by lightning and is now dead. Progressive Tree Service provided a quote to remove the tree, grind the stump, backfill with grindings and dispose of the excess mulch. Legal Counsel reviewed this Agreement and found no issue with it.

Fiscal Impact:

\$1,430

Recommendation:

The Facilities Committee concurs with the Administration to recommend to the Board of Education to accept the Agreement from Progressive Tree Service for the removal of one tree of heaven in the amount of \$1,430.
