

Action Sheet

MEETING DATE: February 19, 2020

AGENDA ITEM: Discuss and consider the approval of applying to the Moody Foundation for the CreaTor Program located at Ball High School for the amount \$250,000.

The Creator Program is a fully integrated program that will involve students, including special needs children, to cultivate real world experience through a merchandising, apparel, and print operation. The program will unite cross-curricular skills to develop a student run business entity with the goal of servicing district merchandising needs while reaching out to community stakeholders to create strategic alliances and pathways to future employment.

RECOMMENDATION: I move that the Board of Trustees approve the request to apply to the Moody Foundation for the CreaTor Program located at Ball High School for the amount of \$250,000.
