BACKGROUND:

Nash Elementary was identified as a campus in need of Targeted Improvement. This is a two year designation and the campus was assigned a Region 10 Comprehensive Support Coordinator. By the end of the two year period, Nash must meet the thresholds in the Closing the Gaps domain and must not be in the bottom 5% and have a Domain 3 score that was higher than the 2025 Domain 3 Accountability Score. The template for the Target Improvement plan was designed by Region 10 that mirrors the Qualatrics Survey that must be submitted by November 14, 2025 to TEA. The Targeted Improvement plan has been reviewed by the district and our Region 10 Comprehensive Support Coordinator.
