## Jenny Preston Educational Consulting

The last four districts we partnered with for the superintendent search were:

- Mesquite ISD
- Lampasas ISD
- Rockwall ISD
- Frisco ISD

We have conducted searches and strategic planning with many districts throughout the state of Texas. Through our work we have developed a large network of superintendents and board members, which have allowed me to understand the specific needs of districts and pair those needs with qualified applicants.

We would be honored to partner with Aledo to continue the great work in your district.

Respectfully Submitted,  
Jenny Preston Ed.D.
