Procurement for architect or engineer services is prescribed by law in Texas Government Code 2254. The code, specifically 2254.004, requires all submissions be selected on the basis of demonstrated competence and qualifications. This project will be funded from 2020 bond funds. The construction budget is currently \$29,600,000.

Recommendation: The administration recommends that the Board approve ERO/IN2 Architects for the design of the new Transportation Center #3 and allow the Superintendent or designee to begin contract negotiations.
