

(LOCAL) Policy Comparison Packet

Each marked-up (LOCAL) policy in this collection reflects an automated comparison of the updated policy with its precursor, as found in the TASB Policy Service records.

The comparison is generated by an automated process that shows changes as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.
- *Additions* are shown in a blue, bold font: **new text**.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes moved text.
- *Revision bars* appear in the right margin, as above.

While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow.

For further assistance in understanding changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.

Please Note:

At **Update 103** you may see some duplicated margin notes in the policy comparison documents. They look like a tracked change where no clear change has taken place, like so:

MARGIN NOTE

MARGIN NOTE

This is an unintended side effect of Policy Service's recent migration to Word 2013, which revealed formatting issues in some margin notes that had not been apparent in earlier versions of Word. Fixing those formatting issues during Update 103 editing has now caused Word to annotate some margin notes where the wording itself hasn't changed, resulting in the effect described above.

We apologize for any inconvenience. If you would like assistance cleaning up the tracked changes in your local policy comparison documents, please contact TASB Policy Service, and we'll be glad to help.
