

TO: Mr. David Meadows
FROM: Mrs. Diana Ezell
RE: Security Camera Report
DATE: April 4, 2012

Diana Ezell, Julie Hinds, and TJ Higgins request permission to present a proposal for consideration to add to the existing security cameras and associated infrastructure for Tupelo High School and projects for other campuses in the Tupelo Public School District.

Included in the presentation is a video of parking lot coverage, an aerial view showing exterior coverage, a floor plan to show typical placement, a summary of cost estimates, a summary with bullet points of what is being added, and still photos of view down corridor with an old camera, and the view of the new camera we're testing to compare the clarity.

This table summarizes the initial upgrade for THS campus

One (1) New Server	\$8,140
Upgrade Two (2) Existing Servers	\$5,250
Camera Equipment and Installation	\$49,500
22 New Interior Cameras	
6 New Exterior Cameras	
6 Existing Cameras to be Relocated	
TOTAL COST	\$62,890
