Motion:

Panel Member	Vote	Reason/Comment
Phil Baldwin	<input type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	
Dr. Sonja Wright-McMurray	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the amendment. Premier High Schools of Arkansas has implemented an effective model that provides opportunities for at-risk students to earn a high school diploma. I look forward to seeing their results as they replicate and expand this flexible, effective model in a virtual environment.
Toyce Newton	<input type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	
Karli Saracini	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the amendment for Premier High Schools of Arkansas to add a new "Virtual" campus as well as increase the enrollment cap to 850. I am looking forward to see the impact of this model across the state on students as well as the drop out rate. This virtual/hybrid model can meet the needs of students across the state through anywhere, anytime and on any device flexibility.
Dr. Eric Flowers	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the amendment for a new virtual building with statewide enrollment and to increase enrollment cap from 625 to 875 for Premier High Schools of Arkansas. I look forward to hearing about how your personalized learning model and supports will continue to engage those potentially hard to reach students while providing the necessary resources to ensure they are college and career ready.
Kim Davis	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	In order to serve a population of students that need added flexibility and additional personalized support, I vote to approve the increase in enrollment cap and new virtual building.
