## **Background:**

Marana Unified School District is currently budgeted to receive \$852,061 in additional revenue as a result of Proposition 123. During Meet and Confer and Negotiations, all employee groups agreed to receive a one-time stipend paid once in the Fall and again in the Spring utilizing Prop 123 monies. It has been determined that these dollars are enough to provide \$381.08 to each employee this fiscal year. The District plans to pay the first half of the stipend (\$190.54) to every employee based on Full-Time Equivalence (FTE) in December of 2024. The second payment will be paid in May of 2025.

## **Recommended Motion:**

I move that the Governing Board determine that sufficient funds from Proposition 123 revenues are available to pay all employees \$381.08 based on FTE in fiscal year 2024-2025. I further move that this amount be paid by way of two one-time stipends paid in December 2024 and May 2025 respectively.
