- Twin Bluff welcomed families back to campus on Thursday, August 29th with our annual fall open house. Families had the opportunity to tour the campus, drop off their school supplies, and meet their teachers.

High School

- Open house had an amazing turnout with 80% of our students coming to pick up schedules, take pictures, and meet with teachers.
- Staff worked through several problem-solving pieces collaboratively including a new cell phone procedure and also a modified schedule on Wednesdays that create space for clubs and organizations to meet during the school day once again beginning Sept. 25th.
- September is jam packed with events including our inaugural Powwow and Homecoming in back to back weeks.

Towerview

- We are excited to have Tower View back under local control. Robin Pagel the Assistant Principal at the high school is also supporting Tower View and has been working closely with staff with the transition of the school back to Red Wing.
- There is a lot of behind the scenes work to make the transition take place and it is important to recognize all that happens in the district office and other areas to make things like registration, student information systems, and other operational items work when essentially a new school is opened in the district.
