

CHILD NUTRITION BOARD REPORT

FEBRUARY 16, 2021

LYNNE KEENAN, DIRECTOR

REIMBURSEMENT

- The reimbursement for **January 2021** was **\$141,532.50**

WEEKLY VIDEO

- I did a live video on Monday February 15, 2021 regarding information on times when the buses would deliver and what to expect in the bags for the week. I am expecting to do a live video at each school on Mondays.

SUPPER PROGRAM

- I plan on getting the Supper Program up and going again by the end of March. I am short staffed and will need to look into getting additional cooks.

STAFF ISSUES

- I am having issues with certain cooks not coming in, or staying the full hours that they are scheduled to work. I do have some cooks that are here all the time and who always work their scheduled hours without hesitation.
