Providing quality education while preparing our children and community for the future

School Board Agenda Item

Meeting Date: July 20, 2015

Place on Agenda: Other Action

Topic: Annual MDE Designation of Identified Official with Authority

Presenter: Rich Dahman

Background:

The Minnesota Department of Education (MDE) requires that an official within each local education agency be annually designated by the school board as the "Identified Official with Authority" to authorize user access to MDE secure websites. The school board meeting minutes must clearly designate the Identified Official with Authority, giving this person the responsibility of assigning job duties to local education agency staff.

Recommendation:

Approve Superintendent Rich Dahman as the Identified Official with Authority with the MN Department of Education for the 2015-16 school year.
