**Subject:**  
Consider Approval of Joint Election Agreement with the City of Nassau Bay

**Background:**  
Education Code Sec.11.058 requires school districts to hold joint polling places on Election Day with either a City or County within their district in accordance with Chapter 271 of the Election Code. The Joint Election Agreement will ensure compliance, while both entities run their own election, pay their own election officials, and are responsible for their own election expenditures. The agreement essentially allows for CCISD and the City of Nassau Bay to share a polling place on Election Day with no further obligation.
