5120.5 Social Services

Recommend repealing this policy because its requirements are addressed comprehensively by federal and state laws, including the Individuals with Disabilities Education Act (IDEA).

9650 Policy Communication / Dissemination

This bylaw is not required and we recommend repeal. In addition, it may be outdated in that it contemplates distribution of physical "copies" of the policy manual.

9210 Board Member Authority

We recommend repealing this bylaw and adopting the model bylaws Transaction of Business and Role of Board and Members, for consistency.

Rescind – 9540.13 Reporting of Board Meeting Business

This bylaw is not required and we recommend repeal. To the extent this bylaw clarifies that the Board acts as a whole and that individual board members shall make no commitments for the Board, this issue is addressed in our model bylaw Transaction of Business, which we recommend for adoption.

9210.1 Responsibilities of Board Members

We recommend repealing this bylaw and adopting the model bylaw Role of Board and Members, which outlines the responsibilities of the Board, for consistency and consolidation.

9710 School District logo and or motto & 9720 Guidelines for use of District Logo/ Board Members' Names

A draft policy has been presented for consideration. Shipman initially shared that a policy is not necessary but took greater issue with policy 9720 stating, "This bylaw is not required and we recommend repeal. In addition, the bylaw addresses duties of the Superintendent, rather than the Board, and the topic is not appropriate for a bylaw. In addition, the equal opportunity statement listed in the bylaw should be revised to reflect all protected classes and not refer to affirmative action, which is separate and distinct from equal educational opportunity."

A regulation concerning a particular group or groups in the schools will be distributed to the group(s) prior to the effective date of the regulation.

Members of the Board of Education will also receive copies of all new or revised regulations that are issued for insertion in the manual.

#9700**School Board Communications**

It is the belief of the Board that keeping open communication with the public is critical to its proper functioning.

The Chairperson or appropriate administrative officer of the Board will acknowledge expeditiously any letter, if appropriate, other than letters of acknowledgment, circular letters, or letters terminating a correspondence.

In general, letters directed to the school district, and addressed to the Chairperson of the Board, or to the School Board, or to officials of the Board, will be acknowledged within ten days following receipt of such letters, if appropriate.

Through the procedures below, the Board will ensure that its members have knowledge of the communications directed to it from the public, and the public will know that Board members have received the communication.

All communications received by the district which are addressed to the Board will be copied and distributed to all Board members, either in the agenda materials for the next meeting or at the beginning of the meeting.

Significant complaints or communications from teachers, parents, or patrons to individual Board members or to the Board as a whole, will be conveyed to the office of the Superintendent.

Communications to individual Board members requesting action or a statement of view may be acknowledged. It is recommended that an answer which commits the Board member should be avoided until the full Board has reviewed the issue.

Statements of a Board member's opinion to any citizen will be clearly identified as an individual opinion which does not necessarily reflect the thinking of the entire Board.
