

## **Action Item F.2.g**

### **Second and Final Reading of Policy DEC Local Leave Retirement Benefit**

**Background:** The Mineola Board of Trustees voted last month to continue the leave reimbursement benefit to staff retiring from Mineola ISD. Wording in the second and final reading has been modified to clarify the reimbursement is for unused state leave days earned while working in Mineola ISD and not for local leave days provided above the state leave to employees.

**Recommendation:** Superintendent recommends approval of amendment to DEC Local Leave policy to include reimbursement for unused state leave days earned while working in Mineola ISD.

**Sample Motion:**

“I move approval of amendment to DEC Local Leave Policy as presented on second and final reading.”
