

## **Meal Accounts and Refunds**

Meal accounts can be managed with a convenient, secure Titan meal payment account.

To open a meal payment account from the Fort Smith Public Schools web site, choose the School Menus tab on the right, then click on the Titan logo. After registering, choose Link Student, then provide your child's name, date of birth, school and grade. The final step is to fund the account.

Meal accounts have a \$10.00 credit limit. Account balances at the end of the school year will be carried forward to the next school year. Account refunds are available to seniors and students no longer enrolled at FSPS.

Free or reduced price meal applications are always available in the school office.
