(LOCAL) Policy Comparison Packet

This packet is generated by an automated process that compares the updated policy to the district's current policy, as found in TASB Policy Service records.

In this packet, you will find:

- Policies being recommended for revision (annotated)
- New policies (not annotated)

Policies recommended for deletion are not included. If you want to include the text of these policies in the information given to the Board, you may download them from *Policy On Line*.

Annotations are shown as follows.

- *Deletions* are shown in a red strike-through font: ~~deleted text~~.
- *Additions* are shown in a blue, bold font: **new text**.
- Blocks of text that have been *moved* without alteration are shown in green, with double underline and double strike-through formatting to distinguish the text's destination from its origin: ~~moved text~~ becomes ~~moved text~~.
- *Revision bars* appear in the right margin, as above.

NOTE: While the annotation software competently identifies simple changes, large or complicated changes—as in an extensive rewrite—may be more difficult to follow. In addition, Policy Service's recent migration to Word 2013 causes some margin notes to appear as a tracked change where no change has taken place.

For further assistance in understanding policy changes, please refer to the explanatory notes in your Localized Policy Manual update packet or contact your policy consultant.
