Something to Consider

Have you recently checked your child's cell phone, My Space, Twitter or Face book account? Wanting to trust our children is natural and important. It is also important to be involved and guide their decisions. So why check? You might be surprised what you read or what your child is reading and it is important for parents to establish standards that your child will carry with them for the remainder of their life.

After School Tutoring

Every Tuesday and Thursday night, we have tutoring available. If your child is behind in any class, they are welcome to stay after school. They must have signed permission to stay after school.

Go Tigers!

Lost & Found

The lost and found is overflowing. Please check for your missing items. All items not claimed by March 19 will be donated during spring break.

Video Cameras

Our school now has twenty-one cameras around campus that will be running 7 days a week 24 hours a day. They are located in the halls, Cafeteria, all three courtyards and the breezeway between the two halls. They have been put in for the safety of our students. So when you come on campus SMILE.

Progress Reports

Progress reports will be sent home with students Friday, February 5. Please sign the bottom of the progress report and return it with your child to their first period class on Monday, February 8.

Family Advocate

We really appreciate all the donations that came in during the holidays. Thank you to everyone who donated both monetary and personal items for our families here at the school. We are still in need of clean women's clothing (size 14-16) and women's size 8 - 8 1/2 shoes.

Thank you, Nancy Abruzzini - Advocate
