Idaho Safe Schools, Safe Students Project

On Monday, November 8, 2021 Homedale School District will host the second leadership institute as part of our Idaho Safe Schools, Safe Students Grant. New Plymouth and Parma School District Leadership Teams will be joining us for the professional learning opportunity. Dr. Katie Azevedo will be presenting on a number of topics including elements of developmental relationship and how the elements of culture impact relationships, empathy and perspective taking, as well as effective ways to respond to difficult students.
