

Community Education Update
December 16, 2024 School Board Meeting

Greetings from Community Education,

Arux Training

We had the opportunity to attend a training with Arux on December 3rd in St. Cloud. Arux is our new platform we are using for community education registration, preschool tuition, and facility scheduling. It was a great opportunity to collaborate with other districts who have transitioned to Arux this school year.

Junior One Act

Great job to Janel Hesch in directing the Junior One Act Play- *"Fast Food."* We had a total of 29 young actors/actresses who participated in this year's program. The performance showcased the young talent we have here at Foley Public Schools. Congrats to all the students who shined during their performance with a full audience to cheer them on.

"Parent Night Out"

Advisor Andrea Pelowski and Michelle Gross and their high school New York/Washington DC students held a "Parents Night Out" event, offering an exciting evening filled with games, crafts, pizza, and a movie. A total of 29 students participated on Friday, December 6th. Parents were appreciative of this new opportunity.
