The Mineola Lady Jackets Softball team made their second trip to play in the UIL State Championship in Austin this year. As one of the final four in 3A competition, they were matched with the best ranked team in 3A for the Semifinal match up. After winning that game, they fought hard in the final game

and came out the runner-up of the State Championship. Mineola High School is one of the smallest 3A High Schools in the State of Texas, but our Lady Jackets proved they have the biggest hearts of them all.

Two members of the Mineola Lady Jackets softball team have been named to the 3A All-Tournament Teams. Senior centerfielder Ali Galaz and junior catcher Morgan Catron were each selected. Catron is one of only three under-classmen to make the team. It was Galaz' second nomination. She was named to the 2A All-Tournament Team last year as a junior.
