Uvalde CISD and SFE, work together to provide our future leaders the nutritional fuel to be ready to learn and reach their highest potential. Thank You to the entire Uvalde CISD Team, as we work to feed the students we love!

Uvalde CISD believes that ALL STUDENTS deserve, fresh and delicious meal options to enjoy.

In the month of January we started our Food Authority Committee. In this committee we bring students, teachers, and parents together to brainstorm on menu ideas, and to help address and questions or concerns. Our next committee meeting is on January 12th 2024 at 11:30AM.

We are in the final stages of preparing our Q3 menus which go live on March 1st 2024.

We are beginning to plan our meals for the up and coming campus Field days.

For Valentine's day we have been able procure a special treat for our children district wide. We will be serving a Pink Strawberry milk, and fresh strawberries. The strawberries also play into Nation Strawberry Day which is Tuesday February 27th.

Lastly, we have our second round of the SFE promotion of "Menu Madness". On February 20th -23rd we will be showcasing some new and innovative SFE recipes. Some of the new items that we will be offering to the children at Morales and UHS are: Wild West Burger w/ Onion Ring, Mozzarella Meatball Panini, and the Popcorn Chicken Breakfast bowl!

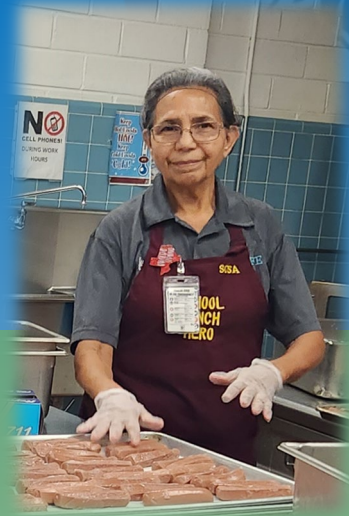

As always we focus on serving the children delicious, wholesome meals with smiling faces. There is a lot of hard work that goes behind it, but when you have the motivation that we do; it's a breeze!

What`s Cooking?

This Month In The Child Nutrition Dept.

71,912 Meals
Served in January!!!

We would so
appreciate
hearing from you □
