Re: Long-Range Facility Planning Committee Report and Recommendations

Lee Foreman, Paul Stephen, and Christi Greene, as members of the 2011-12 Facility and Enrollment Planning Committee, will present the findings and committee recommendations as they relate to planning for district-wide future growth, population shifts, the need for redistricting, and future facility needs.

This committee (comprised of over forty members) met on five occasions from December 2011 through March of 2012.
