**Consideration of Request from Tupelo High School Athletic Department to add Archery Team at THS**

**Danny Porter  
Athletic Director**

Athletic Director Danny Porter will present information and request approval to add an Archery Team at Tupelo High School.

*An interest has been shown by our student body and we have two THS employees (Cary Simmons and Tim Wigginton) who have volunteered their time to coach the team this year. Both employees will be taking an 8 hour course to become certified in coaching archery. Practice beings in February with matches beginning in March.*

*At this time the athletic department has the funds (\$2,600.00) to purchase the start-up equipment. If the Board approves, we are requesting a supplement of \$500.00 for each coach and \$800.00 for supplies for next year.*
