RE: Food Service Corrective Action Plan

During our food service program audit, we were advised that the price we charge adults for breakfast was less than the amount that the federal government requires. The price has to be at least the amount that we receive for free breakfasts served to students plus the federal commodity value provided to the district for meals.

Therefore, to comply with federal law, we will be raising the price charged to adults for breakfast from \$2.55 to \$2.75 effective January 6, 2020.

Sincerely,
