

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **June 20, 2017**

TITLE: **Approval of Agreement With St. Elizabeth's Health Center, Inc. for School-Based Dental Hygiene Clinic Services**

BACKGROUND:

The District recognizes a need for its students to have access to basic dental hygiene services to promote good dental health and maximize a student's school success. St. Elizabeth's Health Center, Inc. (SEHC) provides dental health services to the working poor. A.R.S. §15-1105 permits a school district to permit the acceptance of in-kind services in exchange for use of district property.

SEHC has approached the District with an offer to provide dental hygiene services to District students on school property. The specific services are described in Exhibit A of the attached Memorandum of Understanding.

There is no cost to the District in providing services to its students, the scheduling of which can be determined at the convenience of each school's administrator. The term of the agreement is from July 1, 2017 to June 30, 2018 with provisions made for yearly renewal.

RECOMMENDATION:

The Administration recommends that the Governing Board approve the School-Based Dental Hygiene Clinic Services agreement with St. Elizabeth's Health Center, Inc. Mr. Clyde Dangerfield, Cantelme & Brown, Legal Counsel, reviewed and approved this agreement on June 9, 2017.

INITIATED BY:

Date: June 15, 2017

Patrick Nelson

Patrick Nelson, Superintendent
