SUBJECT: Intergovernmental Agreement (OPPD)- Shared Use of Facilities

DATE: November 13, 2018

Summary

On January 1, 2014, the board entered into an agreement with the Park District of Oak Park for the shared use of the facilities. That agreement expires December 31, 2018. The expiring agreement is attached.

At their September 25, 2018 meeting, the board requested administration to address several concerns in the proposed renewal agreement:

1. Consider combining all PDOP IGA's
2. Maintain flexibility in the agreement.
3. Designating types of spaces (e.g. gyms, etc.) for which PDOP has priority over other groups
4. Review current practices.

PDOP has requested due to the varied nature of the agreements, that we maintain separate agreements and I concur at this time. The current agreement has language addressing flexibility (see notations on the attached scan of the current agreement highlighting this clause and also containing revisions). Park District priority use of gym spaces has been specified per notation on the attached. As to current practices, PDOP uses our spaces for summer camps, sports practices and sports games.

PDOP would like to add one-day per week at each of the eight elementary schools for after school open gym and this has been noted on the attached.

Our attorneys have embed the notations in the appropriate places with the appropriate language.

Motion

Administration is seeking a motion that the Board of Education of Oak Park District 97 approve the Intergovernmental Agreement for Shared Use of Facilities and Cooperative Planning as attached.
