NOTICE OF MEASURE ELECTION PARKROSE SCHOOL DISTRICT MULTNOMAH COUNTY, OREGON

NOTICE IS HEREBY GIVEN on August 18, 2022, that a measure election will be held in the Parkrose School District located in Multnomah County, Oregon on November 8, 2022. The following shall be the ballot title of the measure to be submitted to the district's voters on this date:

CAPTION:

Parkrose School District Levy for Teachers and Classroom Assistants

QUESTION:

Shall district retain teachers, classroom assistants by levying one dollar per one thousand dollars assessed value for five years beginning 2023?

SUMMARY:

The Parkrose School district currently estimates a \$3.2 million dollar budget shortfall for the 23/24 school year leaving the District unable to maintain current services and programs. A \$3.2 million dollar budget reduction is equivalent to eliminating 26 teaching positions or 18 school days.

The levy would fund approximately 22 educational positions (60% teachers, 40% classroom instructional assistants) focused on:

- Keeping class sizes low at the K-2 level
- Specialists to provide career oriented electives at middle and high school level
- One educational assistant in every kindergarten in District
- Meeting state mandates requiring that every elementary student have access to physical education

The measure would will raise approximately \$2 million at a rate estimated not to exceed \$1.00 cents per \$1,000 of taxable assessed value within the District for five years, beginning July 1, 2023. Actual levy rate may differ due to changes in assessed value, payment discounts, compression, and collection rate.
