Comprehensive Needs Assessment

Needs Assessment Overview

Mentoring Minds

Problem Statement

Although we demonstrated individual student growth, the percentage of students below grade level in Reading & Math remains too high across the grade levels (K-2nd). NWEA MAP- ELAR- K-39%, 1st- 69%, 2nd- 69%. Math- K-29%, 1st- 46%, 2nd- 46%

Root Cause

The lack of quality Tier 1 instruction is not personalized to meet student academic needs. Teachers were not providing consistent individualized intervention to struggling students.

Justification

 Teachers are not providing rigorous enough instruction to push students to their potential for growth. Mentoring Minds provides Depth of Knowledge questioning to push and challenge students to achieve individualized growth.

Heinemann- LLI

Problem Statement

Although we demonstrated individual student growth, the percentage of students below grade level in Reading & Math remains too high across the grade levels (K-2nd). NWEA MAP- ELAR- K-39%, 1st- 69%, 2nd- 69%. Math- K-29%, 1st- 46%, 2nd- 46%

Root Cause

The lack of quality Tier 1 instruction is not personalized to meet student academic needs. Teachers were not providing consistent individualized intervention to struggling students.

Justification

Flex paraprofessionals and the administrative team pulled over 100 students for intervention for 25 days to achieve over 800 points in growth. The groups utilized LLI and were successful with this program. The campus currently only has one full kit per grade level. We need more kits for teachers to utilize across the campus as intervention with students

will be a campus non-negotiable.

Istation

Problem Statement

Although we demonstrated individual student growth, the percentage of students below grade level in Reading & Math remains too high across the grade levels (K-2nd). NWEA MAP- ELAR- K-39%, 1st- 69%, 2nd- 69%. Math- K-29%, 1st- 46%, 2nd- 46%

Root Cause

The lack of quality Tier 1 instruction is not personalized to meet student academic needs. Teachers were not providing consistent individualized intervention to struggling students.

Justification

Istation will provide progress monitoring between MAP sessions that will assist teachers in providing data driven instruction and assist in targeting and meeting personalized student needs.

Parent Binders

Problem Statement

Lack of adequate parent and community member involvement.

Root Cause

Restrictions were placed on campus visitors due to COVID this prevented parental involvement. The campus PTA was previously disbanded three years ago.

Justification

Daily take home binders will increase communication between home and school. Teachers will communicate through student planners within the binders daily.

Laminator

Problem Statement

Lack of adequate parent and community member involvement.

Root Cause

Restrictions were placed on campus visitors due to COVID this prevented parental involvement. The campus PTA was previously disbanded three years ago.

Justification

The laminator will be utilized by the campus parent VIPs to preserve items that will be used to communicate between parents and home. The laminator will also be used to preserve workstation materials created by teachers for students so that they may be used beyond this year and for years to come.

Additional Student School Supplies

Problem Statement

Lack of adequate parent and community member involvement.

Root Cause

Restrictions were placed on campus visitors due to COVID this prevented parental involvement. The campus PTA was previously disbanded three years ago.

Justification

Extra student school supplies will be purchased for low socio-economic students to utilize when they are in need of replacement supplies.

Mobile Dry Erase Boards

Problem Statement

The lack of quality Tier 1 instruction is not personalized to meet student academic needs. Teachers were not providing consistent individualized intervention to struggling students. Lack of adequate parent and community member involvement.

Root Cause

Teachers lack solid foundational skills, teaching strategies, and knowledge to provide quality instruction.Restrictions were placed on campus visitors due to COVID this prevented parental involvement. The campus PTA was previously disbanded three years ago.

Justification

Mobile boards will be used during PLC time to desegregate data, explore TEKS Readiness Standards, and during coaching time to improve instruction. They will also be utilized during PTA meetings and parenting classes.

Flexible Seating Options

Problem Statement

The lack of quality Tier 1 instruction is not personalized to meet student academic needs. Teachers were not providing consistent individualized intervention to struggling students. Lack of adequate parent and community member involvement.

Root Cause

Teachers lack solid foundational skills, teaching strategies, and knowledge to provide quality instruction.Restrictions were placed on campus visitors due to COVID this prevented parental involvement. The campus PTA was previously disbanded three years ago.

Justification

Flexible seating options will be utilized during PLC meetings, PTA meetings, parent nights, and community meetings.

Heggerty

Problem Statement

Although we demonstrated individual student growth, the percentage of students below grade level in Reading & Math remains too high across the grade levels (K-2nd). NWEA MAP- ELAR- K-39%, 1st- 69%, 2nd- 69%. Math- K-29%, 1st- 46%, 2nd- 46%

Root Cause

The district approved curriculum does not provide enough intensive phonetic practice and repetition for the early foundational academic year.

Justification

The Heggerty program will provide practice, review, and support for the phonetic foundation of our students.

Brain Pop

Problem Statement

Although we demonstrated individual student growth, the percentage of students below grade level in Reading & Math remains too high across the grade levels (K-2nd). NWEA MAP- ELAR- K-39%, 1st- 69%, 2nd- 69%. Math- K-29%, 1st- 46%, 2nd- 46%

Root Cause

Students are not assessed frequently enough between MAP tests.

Justification

As we continue to implement Blended Learning (personalized learning) across our campus, Brain Pop offers cross-curricular activities that have an embedded assessment piece. Brain Pop can be used for independent learning, as well as workstations.
