#### 4120 - **EMPLOYMENT OF SUPPORT STAFF**

The Board recognizes that it is vital to the successful operation of the District that positions created by the Board be filled with qualified and competent support staff.

All employees other than the District Administrator or Professional Staff Members (Policy 0100 – Definitions) are considered Classified or Support Employees.

~~The Board shall approve the employment, fix the compensation, and establish the term of employment for each support staff member employed by this District.~~

The District Administrator shall approve the employment and establish the term of employment for each support staff member employed by this District. Compensation shall be fixed by an established compensation structure or Board action.

The Board shall provide a description of the work schedule, hours of work per week, and a determination of whether the employee is exempt or non-exempt for purposes of overtime eligibility (see Policy 6700 - Fair Labor Standards Act). For non-exempt employees, there shall be a clear statement in the job description and employee handbook which states the following: "No non-exempt employee may perform work for the District outside of his/her regular schedule without prior supervisory approval. Violations of this requirement will result in disciplinary action, up to and including termination from employment," and for overtime-eligible employees, there shall be a clear statement in the job description and employee handbook which states the following: "No overtime-eligible employee may perform overtime work for the District without prior supervisory approval. Violations of this requirement will result in disciplinary action, up to and including termination from employment."

Such approval shall be given only to those candidates for employment recommended by the District Administrator.

Relatives of Board members may be employed by the Board, provided the Board member does not participate in any way in the discussion or vote on any matter related to said employment.

Any support staff member's intentional misstatement of fact material to his/her qualifications for employment or the determination of salary shall be considered by this Board to constitute grounds for dismissal.

The employment of support staff members prior to approval by the Board is authorized when their employment is required to maintain continuity in District operations. Employment shall be recommended to the Board at the next regular meeting.

No candidate for employment as a support staff member shall receive recommendation for such employment without having proffered visual evidence of proper certification, when appropriate, or that application for such certification is in process. There must also be verification that a satisfactory background check has been conducted in compliance with District procedures.

The District Administrator shall prepare procedures for the recruitment and selection of all support staff which include reporting newly hired employees to the Wisconsin Department of Workforce Development.
