

Memo

To: Board of Education
From: David Nardone
CC: Dr. Conway
Date: 6/23/2021
Re: Property Update

The following is an update on our school buildings:

Bradley

Yearly fire Inspection was compiled by the Fire Marshal's office

Access control system failed and had a board replaced

All heating systems have had maintenance and have been tested they are ready for the season.

Irving

Yearly fire Inspection was compiled by the Fire Marshal's office

All heating systems have had maintenance and have been tested they are ready for the season

Derby High School

2 roof leaks reported to Building committee

Yearly fire Inspection was compiled by the Fire Marshal's office

Derby Middle School

All heating systems have had maintenance and have been tested they are ready for the season.

Yearly fire Inspection was compiled by the Fire Marshal's office

Respectfully submitted by,

David M. Nardone,

Facilities Manager
