4408 Termination

This Policy must be implemented consistent with Policy 1101.

A. Probationary Teachers

For purposes of this Policy, the “termination” of a probationary teacher occurs when the probationary teacher is discharged during the term of an existing individual employment contract between the probationary teacher and the Board. Discontinuation of a probationary teacher’s employment at the expiration of an individual employment contract is not termination for purposes of this Policy and is addressed separately in Policy 4409.

The Board may terminate a probationary teacher for misconduct, inappropriate behavior, performance that is not effective, or for any other lawful reason at any time.

The Superintendent or designee may recommend the termination of a probationary teacher to the Board. The recommendation will include the reason(s) for the proposed termination.

Probationary teachers recommended for termination by the Superintendent or designee will be provided advance notice of the allegations; an opportunity for a hearing in closed or open session before the Board; and the time, date, and location of the Board hearing.

B. Tenured Teachers

The Superintendent or designee may recommend the termination of a tenured teacher by filing tenure charges with the Board. The Board will consider whether to proceed on the tenure charges or modify the charges. A tenured teacher may be terminated for a reason that is not arbitrary or capricious.

The tenured teacher may challenge the Board’s decision to discharge or demote the teacher by timely filing an appeal with the State Tenure Commission.

C. Non-Teaching Professionals and Teachers not subject to the Teachers’ Tenure Act (preschool, GSRP, or other teachers if they did not serve a probationary period under the Tenure Act)

Unless otherwise provided by a collective bargaining agreement or individual employment contract, a Non-Teaching Professional or teacher who is not subject to the Teachers’ Tenure Act may be terminated by the Board, ~~Superintendent or designee~~ for any reason that is not arbitrary or capricious, subject to due process.

The Superintendent or designee may recommend the termination of a Non-Teaching Professional or teacher to the Board. The recommendation will include the reason(s) for the proposed termination.

Non-Teaching Professionals or teachers recommended for termination by the Superintendent or designee will be provided advance written notice of the allegations; an opportunity for a hearing in closed or open session before the Board; and the time, date, and location of the Board hearing.

D. Extracurricular Positions, Including Athletic Coaches

4409 Non-Renewal

For purposes of this Policy, "non-renewal" of a probationary teacher refers to the discontinuation of the employment relationship between the Board and a probationary teacher at the expiration of the probationary year following the process set forth in the Teachers' Tenure Act.

Teachers must serve a probationary period as required by the Teachers' Tenure Act. A probationary teacher's contract may be non-renewed for performance-based reasons or any other lawful reason.

This Policy must be implemented consistent with Policy 1101.

A. Probationary Period

1. A probationary teacher rated developing or needing support may be subject to non-renewal consistent with the Teachers' Tenure Act. To attain tenure, a probationary teacher must receive a "highly effective" or "effective" rating on 3 year-end performance evaluations, including their most recent evaluation and have completed at least 4 full school years of employment. A teacher's probationary period may extend or the probationary teacher may be nonrenewed, if the teacher does not receive 3 consecutive effective ratings during the probationary period.

For a teacher who previously held tenure in another Michigan public school district, the teacher is subject to a 2-year probationary period, unless the Board acts to reduce the teacher's probationary period. The Board may make such a reduction if it determines that it is in the District's best interest considering factors such as the teacher's employment history; certifications, approvals, or authorizations; experience in subject matter or grade level; professional development, training, and academic preparation; and any other relevant factors as determined by the Board.

2. Reserved

B. Non-renewal

1. Probationary teacher non-renewal is subject to the non-renewal procedures specified in the Teachers' Tenure Act. This Policy will be implemented consistent with that statute.
2. Before non-renewing a probationary teacher, the probationary teacher must receive written notice of the Superintendent's or designee's recommendation for non-renewal and the time, date, and place of the Board meeting at which the Board will consider the recommendation. The recommendation for

non-renewal will state the reason(s) for the recommendation and may include supporting documentation.

3. The probationary teacher must receive written notice of Board action to non-renew the teacher's contract at least 15 calendar days before the end of the school year (June 30) except as provided in subsection 4 below. If the teacher is hired after the beginning of the school year, notice of non-renewal must be received at least 15 calendar days before the teacher's anniversary date of hire.
 4. For a teacher who previously held tenure in another Michigan public school district, the teacher must receive written notice of non-renewal at least 60 calendar days before the completion of the probationary period.
- C. The probationary teacher will be provided an opportunity to address the Board in open or closed session and respond to the Superintendent's or designee's recommendation to non-renew.
 - D. The Board must take action in open session on the recommendation to non-renew the probationary teacher.
 - E. The probationary teacher must be served with written notice of the Board's action non-renewing the teacher's employment and a copy of the Board action within the timeframe required by the Teachers' Tenure Act. The non-renewal notice will specify that a probationary teacher has the right to appeal the timeliness or legal effect of a notice of non-renewal. The appeal must be filed with the State Tenure Commission within 20 calendar days after the probationary teacher's receipt of the notice of non-renewal. A copy of the Teachers' Tenure Act should also be included with the notice.

5400 Curriculum, Instruction, and Parent Involvement

5406 Title I Funds

The District will use Title I funds (including Perkins V funds) to supplement, not supplant, state and local funds that would, in the absence of Title I funds, be spent on Title I programs. The District will ensure that Title I funds will not be used to provide services that otherwise take the place of public education services that are to be provided to all students. A student's eligibility for Title I services may not disqualify the student from any service for which the student is otherwise eligible.

The District will maintain records of Title I-funded professional development. The Superintendent or designee will ensure that professional development is aligned with the needs of the District's Title I programs. Title I-funded professional development will not duplicate that which is funded from other sources and which, in the absence of Title I funds, would be provided to all staff.
