Reconsideration of Supplemental Instructional Materials

A staff member of the district, student [student] or a parent or guardian of a student of a school of the district or resident of the district may raise concern about supplemental instructional materials¹ used in the district's educational program. ~~This procedure is meant to provide a forum for those persons in the schools and the community who are not directly involved in the selection process.~~ Access to, or use of, materials under reconsideration will not be restricted during the reconsideration process.

Complaints alleging a material constitutes protected-class discrimination may be submitted through the district's discrimination complaint policy and procedures.

This reconsideration process will be completed in its entirety and not subverted or ended prematurely. The person making a request for reconsideration may withdraw their reconsideration request at any time during the process.

1. Concern

- a. Any concern made regarding supplemental instructional materials by any staff member, student or their parent or guardian or resident of the district will be made known to the [principal].
- b. The [principal] [or designee] will arrange to meet with the person(s) with the concern [, and may include the staff member(s) most directly involved with its use,] in an effort to resolve the issue informally, within [15] days of receipt of the concern.

The [principal or staff member] will explain to their best ability the particular place the material in question occupies in the educational program and its intended educational usefulness or include someone who can identify and explain the use of the material.

- c. The [principal] [or designee] will inform the person(s) submitting the concern that if the person is not satisfied with the outcome of the informal inquiry, they may file a written request for reconsideration within [10] days of the conclusion in 1.b. The initial contact from the person and any outcome of a meeting or conversation will be documented and maintained by the [principal].

¹ "Supplemental instructional materials" means instructional materials used as part of the course of study, which are not part of the core instructional materials. They contain materials to supplement and/or differentiate core instruction and are generally teacher selected. These materials are not adopted by the Board. Materials required or assigned to be used as part of a class may be considered supplemental instructional materials, regardless of the source or location of the material.

2. Request for Reconsideration

If a request for reconsideration involves more than one material, a separate form must be completed for each material. A request to reconsider multiple titles in a series may be submitted on a single form. All school offices will make forms available.
- c. Upon receipt of a written reconsideration request, the [principal] will appoint a reconsideration committee ~~[by random selection] [from a pool of previously identified interested individuals].~~
- d. Use of the material identified in the request for reconsideration will not be suspended and shall not be removed during the reconsideration process. Materials will not be removed for discriminatory reasons.
