

Minidoka County Schools Mission Statement:

- ◆ Academic Excellence

- ◆ PERSONAL Responsibility

WELCOME TO ACEQUIA ELEMENTARY SCHOOL!

The staff at Acequia Elementary would like to welcome you to school. Our mission is to work with our staff, students, and community to provide a safe, positive, and challenging environment where students can reach their fullest potential. Students will develop technical skills and achieve academic excellence with clear criteria for success and accountability. Students will be empowered to communicate, compete, and contribute as responsible citizens and valued members of the community. We hold students to high standards of behavior and learning through Love and Logic techniques.

VISITORS

We ask that all visitors sign in at the office and pick up a visitor's tag. To ensure our student's safety, we closely monitor traffic in our building. We do not permit students to bring friends or relatives to spend the day with them in class, as these situations are too disruptive to our educational program. Any person needing special accommodations to participate in school activities are welcome to contact our school at 436-6985.

CURRICULUM

We are following the Idaho Core Standards approved by the state. Strong emphasis is placed on individual academic needs and intervention. We encourage parents to become active participants by monitoring homework, communicating with the classroom teacher, and ensuring good attendance for your child. Together, we can ensure a positive and rewarding learning experience.

HOMEWORK

A special quiet time and place set aside each evening for schoolwork or reading, encourages good study habits and helps prepare children for secondary schools. A good rule of thumb is to multiply the grade level by ten and that is the average number of minutes the student should be studying or reading each night (example: 4th grade X 10 = 40 minutes). If your child is absent

for several days, we encourage you to call the office and arrange to have homework ready to pick up after school.

LEARNING MATERIALS

Specific items such as textbooks, workbooks, penmanship paper, and major art supplies are provided free of charge. Parents are asked to purchase other necessary supply items as needed. Supply lists are available from the office

ATTENDANCE

Good attendance at school is an extremely important aspect of each student's education. The Minidoka County Joint School District's attendance policy states that students are expected to be in attendance whenever school is scheduled. Failure to attend denies the student learning opportunities and decreases the effectiveness of the teacher's presentation. Excused absences are illnesses that are verified by parents or a physician and reported to the school office by note or phone call.

Parents are encouraged to call the day of the absence or provide a note the following day to explain the student's absence. With any excused absence, the student is to complete all assignments as required by the teacher and will be permitted two days make-up for each day of absence. After three unexcused absences, a letter of concern is sent home to parents who are asked to help improve the attendance problem of their child. If unexcused absences continue after this, the absences may be considered truant. *Students not meeting the 90% attendance requirements set by the district may be denied advancement. We ask that parents not pick up their children prior to the end of the school day as this causes excessive disruptions for the classroom teacher.*

TARDIES

It is important for students to be in class on time. Teachers begin instruction at 8:15a.m. and it is important that all students are present for opening routines. Continual tardies violate district attendance policies.

BIRTHDAY PARTIES

Occasionally students wish to observe his/her birthday at school. Each teacher has his/her own policy concerning this activity. However, there are some general guidelines we all follow:

- *Food treats are permissible, but interruption of the school program should be kept to a minimum.
- *Food treats need to be individually wrapped and prepared commercially. Please avoid red punch or frosting.
- *Please do not provide gum.
- *Please do not pass out invitations to private birthday parties at school. We do not want to have any student feel left out, so it is more appropriate to do this privately.
- ❖ Please do not send balloons to school.

COLD WEATHER OR SNOW DAYS

When the weather becomes extremely cold or wet, we allow students to stay indoors during recess time. As a school staff, we recognize the difference between “uncomfortable” temperatures and those that present a health hazard to our students. We have found that when students are able to go outside during recess time, the fresh air and change of environment gives them a break that helps them feel renewed when they come back in. Please prepare your child for the temperatures of an Idaho winter by dressing them properly with a heavy coat, gloves, hat and boots. When a very cold day or snow day comes, please listen to local radio stations to find out if school will be in session or not. Information about possible school closure will be given each morning before school on the radio.

DISCIPLINE

In order to provide a safe learning environment, the staff of Acequia Elementary School believes it is our responsibility to administer a fair and comprehensive discipline policy. **We are adhering to the Love and Logic philosophy of creating a problem-solving school culture.** The purpose of this philosophy is to ensure the rights

of each student to attend a school with a safe and positive learning environment while also helping students to see that there are consequences for inappropriate behavior. Our goal is to help students learn to become responsible citizens. We encourage parents to maintain regular contact with teachers about concerns so we can work as a team to help their children.

INTERNET POLICY

Acequia Elementary School integrates current technology into classroom learning. Students will complete an Internet permission form and adhere to the rules of the form. **Students will practice digital citizenship with all technology devices.** Cell phones are permissible, but need to be kept in the student’s backpack, turned off, and used only as necessary. Students may use their cell phone with permission from their teacher. School phones are available for student use.

DRESS CODE

Students shall show proper attention to personal cleanliness, neatness, and conservative, appropriate standards of dress and appearance. Student dress and student conduct should not disrupt or distract from the instruction at school. Student dress that is deemed inappropriate by the school staff will be corrected in accordance with district policy 507.98. Students should always dress appropriately for weather conditions and label coats and jackets.

FEES

A \$13 activity fee is **requested** at registration for each student. Kindergarten fees are \$21. This fee provides for the various activities that occur during the school year. Activities include assemblies, recognition awards and field trips.

MEAL CHARGES

Students at the Elementary Schools will be allowed five charges. An alternative meal such as a sandwich will be provided for two additional days. The Food Service staff will send home notices of low and negative balances as well as trying to contact parents. Free and Reduced Applications will be sent home in an envelope with the child. No charging will be allowed the last three weeks of school. Charges that are not collected will be carried over to the next school year.

LOST AND FOUND

Lost and found items are kept by the office and accumulate quickly as the year proceeds. It is

- ◆ Academic Excellence
- ◆ Ethical Behavior
- ◆ PERSONAL Responsibility

very helpful if parents will check at the office as soon as items turn up missing.

Children are not to bring objects to school such as toys, radios, trading cards and–electronic devices that can be broken or lost and lead to classroom disruptions. If brought to school, these items will be confiscated.

CPT ORGANIZATION

(Caring Parents and Teachers)

Acequia Elementary School is fortunate to have a wonderful CPT program that helps to bring school and community together. Please be sure to refer to monthly classroom newsletters sent home with the children and the school website. The CPT also organizes and assists with other numerous activities throughout the year that support our school. **Please contact CPT board members to volunteer your services.**

HEAD LICE

Students and adults are not permitted to attend school if they have head lice or head lice eggs (nits). An individual that is found to have head lice will be sent home. Individuals will be required to treat their head and clothing appropriately as determined by their doctor or school nurse. Individuals may return to school when they no longer have any head lice or eggs.

TRANSPORTATION

When riding on district buses students are required to adhere to all rules and regulations as stipulated by transportation personnel. Disruptive behavior will not be tolerated and student cooperation is greatly appreciated. Citations will be issued if students are uncooperative with bus drivers or other school personnel on bus duty or acting as supervisors. Please be very cautious when loading and unloading children from private vehicles and be aware of crosswalks, parking areas, and one-way streets

Parents please drop off your students on the Southwest side of the building, as there is a significant safety risk if students are picked up in the bus zone. After school, please pick up your students in front of the building between 3:10-3:25. If you need to pick up your child during the school day, please come to the office and sign your child out and we will call for your child. If you need to change pick-up arrangements for your child, please send a note with him/her to give to the teacher or call early in the day to better facilitate making the change.

WEAPONS

The Minidoka County School District has very detailed and strict policies concerning the possession or use of weapons, drugs or alcohol at school. Extensive policies listing appropriate consequences also exist for student behavior concerning harassment, fighting, theft or destruction of property. Parents are encouraged to review these and other policies on the district's website. If parents do not have access to a computer at home we will gladly assist you at the school.
