We are requesting the Neah-Kah-Nie School Board approve the Co-op application for Boys and Girls Soccer with the Tillamook School District. We have had Co-op agreements with Tillamook for Boys and Girls Swimming, and have had an active swimmer the past 3 years. We are looking to grow opportunities for our students as well as create momentum to create our own full soccer program.

The financial impact for the district is significantly less than if we were to start our own program, as the only additional impact will be transporting the student to Tillamook and possible additional equipment and staffing needs should additional teams be created through this partnership. We are currently looking to fundraise additional funds to offset those costs through our local soccer club.

Our hope is that with the new opportunity, we may be able to begin our own soccer program here at Neah-Kah-Nie HS in the future.

Thank you for your continued support!

Thank you,
