Fellow Trustees and Superintendent,

I would like to formally request that the commissioning of an independent Special Education Program Audit be placed on the agenda for the October 13, 2025 board meeting.

The purpose of this agenda item is for discussion and possible board action regarding the issuance of an RFP for Special Education audit services, with the goal of selecting a vendor and initiating the audit during the current school year.

If helpful, I am prepared to provide a brief Board Memo to support this request.

Thank you for your consideration.

Sincerely,
Jaime C. Barrera
Trustee
