

**GOVERNING BOARD AGENDA ITEM
AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10**

DATE OF MEETING: **March 7, 2017**

TITLE: **Study of REACH Report and Program**

BACKGROUND:

Governing Board members have recently received a Friday Memo regarding the REACH report and recommendations.

That Friday Memo included a brief summary of the program review presented earlier to the Board by Dr. Roseanne Lopez. This summary included information about the program review process in which the committee was involved, the charge given to the committee, and names of the members who served on the committee. Major themes (based on discussion, research, and the results of the parent, teacher, and student survey) were also included.

Our REACH staff has worked throughout the year to address those issues and to provide recommendations. This information was also included in that Friday Memo along with potential financial impacts.

Tonight, Monica Nelson will provide an overview of the information presented to the Board in that Friday Memo regarding the committee report and items which could align with the results of the program review.

RECOMMENDATION:

This item is presented for the Board's study.
