Thank you so much for reaching out and giving us the chance to work with Ector Co ISD.

Once your books are palletized, wrapped, and ready to go we can schedule a pickup. Typically we can have a truck to you within 2-3 days. There are of course no charges to the district whatsoever for this service.

After the books are picked up they will all be taken to our main warehouse in Irving and sorted there. The primary goal is to use as many of the books as possible so anything that can be resold or redistributed will be taken out. The rest of the material will be sent to our recycling partner in Dallas where it will be processed and sent to paper mills to be used for various purposes. Some teacher's materials or miscellaneous non-textbook items can be donated to local non-profits if possible.

Hopefully this gives you a good idea of our process.

Please let me know if you have any more questions, concerns, etc.

Regards,

Michael Fordinal
President
