

MARBLE FALLS

Independent School District

Meeting Date: 10/20/2025

Date Submitted: 10/13/2025

Meeting Type: Regular Meeting

Agenda Placement: Consideration Items

Subject:

Possible Purchase of Maintenance Vehicles

Executive Summary:

Maintenance Department is looking to purchase a total of 3 vehicles as budgeted for with 2025 Bond funds. Our plan is to replace 2 of our current Maintenance Pickup Trucks with 2 Maintenance Utility Trucks. The trucks we would be replacing are M17 which is a 2012 Ford F250 pickup and the other is M21 which is a 2015 Ford pickup both with high miles. Both trucks also have transmission and AC/Heater issues as well.

The 2 trucks we are currently using are pickup trucks that are used by two of our General Maintenance Teams. Working out of a pickup truck is difficult versus a utility truck. There is limited storage for tools and equipment and are not designed for service work, and often other service trucks must assist due to the limitations of these trucks.

We propose to purchase 2 Ford F250 trucks; one a 2025 and the other a 2026 both with service bodies and ladder racks. These trucks are in stock at Mac Haik Ford in Georgetown and ready to go. These trucks are \$60,206.75 each for a total of \$120,413.50. We received competitive bids from 3 dealerships including Johnson Sewell, locally. Mac Haik bid was \$3,500 cheaper and included the extended cab option of the 2 service body vehicles which are currently in stock.

The 3rd vehicle we propose to purchase is a 2025 Ford F-150 for a total cost of \$48,080.00 from Mac Haik Ford also in Georgetown. This truck is in stock and is a more realistic form of Transportation for the Bond Director and will allow us to remove M-11 from the Maintenance fleet. M-11 is a 2008 Ford with high mileage and in poor condition. This will allow M-33 can be returned to the Maintenance Department. M-33 is a 2022 Chevy 3500 Dually Truck, which is used to tow large trailers. This truck is currently being used by the Bond Director and Maintenance Department needs it to pull heavy equipment and materials with the trailer.

This purchase was included in the Bond budget as part of the purchase of 5 new maintenance trucks for a total budget of \$300,000. We have already purchased one of these budgeted trucks to date for a total of \$64,525.74 leaving a remaining budget of \$235,474.26.

The total cost of these 3 vehicles would be a total of \$168,493.50 leaving a remaining budget of \$66,980.76. We feel this would put our maintenance fleet where we need to be and we would not need to purchase another maintenance vehicle.

Fiscal Impact:

One-Time

Funding Source:

Bond Funds

Fiscal Year:

2025-2026

Ammendment Required?

NO

Administration's Recommendation:

I move that the board approve \$120,413.50 to Mac Haik Ford for the purchase of one 2025 and one 2026 Ford F-250 Utility Trucks and \$48,080.00 to Mac Haik Ford for the purchase of one 2025 F-150.

Submitted By:

Eric Humiston

Presenter:

Stan Whittle

Board Approval Required: YES

PAINT	Monotone Paint Application	STD
WARANT	Fleet Customer Powertrain Limited Warranty Requires valid FIN code. <i>Ford is increasing the 5-year 60,000-mile limited powertrain warranty to 5-years, 100,000 miles. Only Fleet purchasers with a valid Fleet Identification Number (FIN code) will receive the extended warranty. When the sale is entered into the sales reporting system with a sales type fleet along with a valid FIN code, the warranty extension will automatically be added to the vehicle. The extension will stay with the vehicle even if it is subsequently sold to a non-fleet customer before the expiration. This extension applies to both gas and diesel powertrains. Dealers can check for the warranty extension on eligible fleet vehicles in OASIS. Please refer to the Warranty and Policy Manual section 3.13.00 Gas Engine Commercial Warranty. This change will also be reflected in the printed Warranty Guided distributed with the purchase of every new vehicle.</i>	N/C
