

Summary of Findings for the State of Oregon (Based on [15-16 State Report](#))

- The five-year graduation rate for students who **exited** English Learner programs is 80 percent, above the statewide average of 78 percent.
- The freshman on-track-to-graduate rate is 67 percent for **current** English Learners, compared to 82 percent for **former** EL students.
- Statewide, an average of 39 percent of **current** English Learners who graduate high school in four years go on to college. For **former** EL students, that rate is 49 percent.
- English Learners make up about 10 percent of the student body statewide, but that number varies from less than five percent in some districts to more than 35 percent in others.
- Spanish is the most common home language of English Learner students, but there were more than 50 other languages spoken in districts around the state.

Summary of Parkrose Findings:

- The five-year graduation rate for students who **current** English Learner programs is 68 percent, above the general average of 74 percent.
- The four-year graduation rate for students who **current** English Learner programs is 56 percent, above the general average of 72 percent.
- The freshman on-track-to-graduate rate is 70 percent for **current** English Learners, compared to 69 percent for non-ELs.
- English Learners make up between 29 and 37% of our population across grade bands, as follows:
 - K-3: 29%
 - 4-5: 35%
 - 6-8: 37%
 - 9-12: 35%
- Spanish, followed by Vietnamese then Russian are the most common home language of English Learner students, but there are approximately 31 different languages spoken in Parkrose.

Summary of PSD ELPA Growth and Proficiencies

		Average Total ELPA Growth	Average Reading Growth	Average Writing Growth	Average Listening Growth	Average Speaking Growth	Percent Proficient
District		0.39	0.27	0.42	0.36	0.50	11.68%
Elementary Schools		0.45	0.28	0.50	0.43	0.60	14.15%
	Prescott	0.46	0.22	0.52	0.56	0.54	14.29%
	Russell	0.65	0.26	0.72	0.38	1.20	19.40%
	Sacramento	0.50	0.38	0.55	0.45	0.62	12.82%
	Shaver	0.31	0.26	0.33	0.35	0.29	11.24%
PMS		0.15	0.22	0.19	0.13	0.06	6.41%
PHS		0.41	0.28	0.31	0.34	0.72	5.77%
