Superintendent's Report

June 2018

Summer is upon us! Earlier this month we had 5 graduation celebrations in all: Denfeld, East, ALC, our residential programs, and AEO, our online high school. These are always special occasions; it is great to see our students accomplishing a long term goal and how excited they are for the future. We will have the full lists of all the graduates in next month's Board Book. Summer programming has also started at many sites. Breakfast and lunch are served at Laura MacArthur, Lester Park, Myers-Wilkins, Piedmont, Stowe, and Denfeld. Meals are free for students and \$4 for accompanying adults. There are also several summer programs occurring including KeyZone, EXCEL, and summer school.

Summer is also a time that we prepare for next year and includes a look at Immersion Transportation, a hub model at Laura MacArthur, Piedmont, Congdon, and Lester Park. More information will be coming out soon. We are also planning with the "Y" to incorporate more outdoor education into the KeyZone program. This would be a club model where families could choose to be involved. We will continue to develop these plans with hopes to have it in place by the fall.

We are also busy ordering supplies, cleaning our buildings, making staffing changes, and finalizing a budget. While a preliminary budget is accepted earlier in the spring, a final budget is far more complex and includes thousands of lines of detail. This year finalizing the budget has proven to be a little more challenging. It is really important that our budget is accurate so we are taking some steps to review and validate our final budget. We are going to bring in a professional finance firm to review our plans to confirm accuracy. Because the District is required to have a budget in place by June 30, the board will be considering a less detailed budget next week. The full detail will be considered as part of the July Board Meeting process once the firm has an opportunity to review the full budget. While the budget is listed as an item

4 – Minutes of the Regular School Board Meeting
June 19, 2018

on tonight's agenda, it was not discussed at the committee meeting last week, rather was delayed until next week, so the budget will not be discussed tonight. There will be a Committee of the Whole Meeting next Tuesday followed by a Special Board Meeting on Thursday.

In closing, I'd like to remind everyone that summer reading is an important way to keep reading skills growing! So whether it's a book off your shelf, from a neighborhood mini-library on a post, from the library, or an electronic page turner-- let's keep those kids reading! It really does make a difference. And now, reporting from summer vacation, let's hear from our Student Representatives.

Denfeld High School: Student Representative Maggie Carlos spoke to the School Board about the activities that occurred at the end of the school year which included hosting the district retiree event, Honors night with seniors receiving almost \$4 million in scholarships, 175 Hunters graduating with more this summer, student recognition for the upcoming Super Fans, student award winners, students going to state in several sports, and a thank you to Superintendent Gronseth for taking a pie in the face to help raise money for worthy causes.

Duluth East High School: Student Representative Finn White spoke to the School Board about the activities that occurred at the end of the school year which included an honors night, sports events, sports camps, testing, a senior trip via train to Bayfield, senior walks through elementary schools in full cap and gown, volunteering at Grandma's marathon at a water station, and German students leaving for a three week trip to Germany.
