Frances Krol called back here's your message forwarded message. Yeah I'm here voicemail recording mentioned Terry Witt but the last time I called I got Julie Stearns I believe and she sent me your budget. However, I realize that it's not going to do me any good unless I hear about the last three years passed the budget to do comparable analysis and also I asked to hear the line items for edl(?) whether it's outgoing(?) our tax money going to the low income tiers one and two or if it's in money from EBF to our school district. So can you please call me back at _____ as soon as possible and text me if it's four or I did get my email at _____ and I only have a phone not a computer so it's very difficult to read. So please try to call me back and I'll call you right back if you text or email me that you called. Thank you very much. Goodbye.
